How to use Machi-nori

After registration, within a day you can use the bicycle as many times as you want.

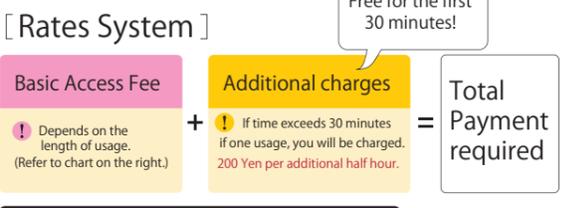

## Machi-nori is a public bicycle rental system that anyone can use.

You can take out or return a bicycle at any of the 22 docking stations ("Cycle Ports") around the city or at the Machi-nori head office. (bicycles can be returned to a docking station other than the one at which they were initially rented)

- Please be noted that Machi-nori is a unique rental biking service which costs 200 yen per day in case bike is not used constantly.
- However, as long as you get from one Cycleport to another within 30 minutes (bikes can be taken out and returned many times), basic access fee will be 200yen for whole day no matter how many times you use it.

### Costs

Please read the additional information below

※Each IC-Card specific to "Machi-nori" costs an additional 500 yen on top of the basic access fees listed on the right.

※When using the cash pay option, an IC Card can be rented at the Machi-nori head office or participating hotels and other partnering offices. In this case, an 800 yen deposit is required, which will be refunded when you return the IC Card.
